

THE NEIGHBOURHOOD INN

5011 66th Street, Neighbourhood Inn Bonnyville, Alberta

This charming Bonnyville Motel asked Calgary Lighting Products to produce a lighting solution that augmented the warm and welcoming atmosphere for visitors, while lowering energy usage and costs. Our solution involved retrofitting over 1200 incandescent and CFL lights to Energy Star and DesignLight Consortium qualified LED fixtures.

Our monthly payment plans allow clients the option to pay for their project over an extended period of time, allowing for greater flexibility and opportunity to work with us! With our 5 year hassle-free warranty, you can feel comfortable working with one of Canada's top LED retrofitting companies.

5-YEAR CASH SAVINGS:

\$88,950
