

# EVOLUTION IN EAST VILLAGE CONDOS

519 Riverfront Avenue SE Calgary, Alberta

Calgary Lighting Products was responsible for the full building LED Retrofit of the *Evolution in East Condos*. With our close communication with the Board of Directors, CLP ensured board members were informed and involved with their customized lighting retrofit.

Our solution provided the residents with improved lighting quality and security within their building, while also providing significant cash savings and maintenance savings for years to come.

5-YEAR CASH SAVINGS:
